

Customer Support FAQ

1. How do I contact customer support?

You can contact support through email, phone, or the customer portal.

2. What are your support hours?

Support is available Monday through Friday during business hours.

3. How long does it take to receive a response?

General inquiries are answered within one business day.

4. How do I reset my password?

Use the 'Forgot Password' option on the login page.

5. How can I update my account information?

Log in to your account and update your profile settings.

6. How do I download my invoice?

Invoices are available in the Billing section of your account.

7. How do I request a refund?

Submit a refund request through customer support with your order details.

8. Where can I view my order history?

Your order history is available in your account dashboard.

9. How do I report a technical issue?

Create a support ticket with screenshots and a detailed description.

10. Can I change my subscription plan?

Yes. You can upgrade or downgrade from your account settings.

11. Is my data secure?

Yes. We use industry-standard security and encryption practices.

12. How do I cancel my subscription?

Submit a cancellation request before your next billing cycle.

13. Do you provide onboarding assistance?

Yes. Guided onboarding is available for new customers.

14. Where can I find product documentation?

Documentation is available in the Help Center and Knowledge Base.

15. How do I contact the sales team?

Use the Contact Sales form or email the sales department directly.
