

Pricing and Services

1. Overview

Our company offers flexible pricing plans for individuals, small businesses, and enterprises.

2. Free Trial

New customers may be eligible for a limited free trial with selected features.

3. Basic Plan

Includes essential features suitable for individuals and small teams.

4. Professional Plan

Includes advanced automation, reporting, and priority support.

5. Enterprise Plan

Designed for large organizations requiring scalability, security, and dedicated support.

6. Custom Solutions

Custom AI development, integrations, and consulting services are available upon request.

7. Billing Cycle

Plans are available with monthly or annual billing options.

8. Payment Methods

Accepted payment methods include credit/debit cards, bank transfers, and approved digital payment services.

9. Plan Upgrades

Customers can upgrade their subscription at any time. Changes take effect according to the billing policy.

10. Plan Downgrades

Downgrades become effective at the start of the next billing cycle unless otherwise specified.

11. Invoice Generation

Invoices are generated electronically and can be downloaded from the customer portal.

12. Taxes

Applicable taxes are calculated according to local regulations and displayed during checkout.

13. Cancellation Policy

Subscriptions may be cancelled according to the terms of the selected plan.

14. Support Services

All plans include customer support, with response times varying by subscription level.

15. Contact Sales

For enterprise pricing, volume discounts, or custom solutions, contact the sales team.
